

**ADVERTISEMENT FOR REQUEST FOR PROPOSALS
SOUTH COBB WRF DEWATERING IMPROVEMENTS
(DESIGN/BUILD PROJECT)
PROGRAM NO. T3014**

for

COBB COUNTY, GEORGIA

Competitive Sealed Proposals for furnishing all professional and management services, materials, labor, tools, equipment, and incidentals necessary for the design and construction of the aforementioned Design/Build project will be received by **COBB COUNTY**, a political subdivision in the State of Georgia, herein referred to as "Owner", at the offices of the **Purchasing Department, 1772 County Services Parkway, Marietta, Georgia 30008**, until **12:00 Noon** (local time) on **Thursday, June 14, 2012**. The project name and program number must be shown on the outside of the proposal envelope. **No proposals will be accepted after the 12:00 Noon deadline.**

Proposals will be opened at 2:00 PM (local time) on **Thursday, June 14, 2012**, at the offices of the **Purchasing Department, 1772 County Services Parkway, Marietta, Georgia 30008**.

The Design/Build Project consists of the design and construction of improvements at the South Cobb Water Reclamation Facility to convert the wastewater sludge dewatering process from belt presses to centrifuges. The following major components are included:

- An elevated mezzanine on the east side of the existing Dewatering Building to accommodate the installation of three centrifuges (furnished by the Owner).
- A new truck drive-through corridor with roll-up access doors on the north and south sides of the building.
- A multi-directional, screw-type dewatered cake conveyor to load two semi-truck trailers parked back-to-back.
- A polymer feed system consisting of neat polymer storage tank, polymer aging tanks, neat polymer transfer pumps and polymer feed pumps.
- Associated control panels, plant SCADA system additions, electrical system additions.
- Building HVAC system improvements, odor control system, and other miscellaneous work.

The Request for Proposal documentation in printed form may be picked up at the offices of Cobb County Water System, Engineering & Records Division, 660 South Cobb Drive, Marietta, Georgia 30060-3105 or can be mailed upon request. The RFP can be distributed in electronic form (PDF) upon receipt of an email request addressed to thomas.bailey@cobbcounty.org. Requests must include company name, contact name, company address, telephone number, fax number, and email address. Contact Tom Bailey (770 419 6310) for general information concerning the project.

Proposals will only be accepted from firms that have received a set of documents from the Cobb County Water System. Addenda will be distributed via email only. Offerors must hold a current State of Georgia Utility Contractor License.

Each proposal must be accompanied by cashier's or certified check or a bid bond prepared on accepted form, duly executed by the offeror, in the amount of five per cent (5%) of the proposal.

Owner reserves the right to waive any informality or to reject any or all proposals, to evaluate proposals, and to accept any proposal which in its opinion may be for the best interest of Owner. Owner has the right to add to and delete from the contract once it has been awarded. Award, if award is made, will be to the Design/Builder whose proposal was evaluated to offer the most favorable combination of qualifications, approach, and pricing.

The successful Offeror for this contract will be required to furnish a satisfactory performance bond and labor and material payment bond, each in the amount of one hundred percent (100%) of the proposal.

No offeror may withdraw his proposal within 90 days after the actual date of the opening thereof.
